

July 19, 2019

Dear Sir/Madam:

Nagaoka University of Technology would like to take this opportunity to introduce our graduate course, “SDG Professional Course”, which is offered to provide the opportunity of engineering education program for sustainable development based on the agreement with UNESCO. This graduate-level course incorporates engineering education built on a foundation of Sustainable Development Goals (SDGs), and is designed to produce practical engineers/researchers with high levels of expertise and educators of advanced engineering.

We are currently is in a process of application to the special program offered by Japanese Government (Monbukagakusho) for this course in order to be authorized to nominate a certain number of successful candidates from this course, for 2020 Japanese Government (Monbukagakusho) Scholarship. If this course is selected, our university will nominate a certain number of successful candidates for Japanese Government (Monbukagakusho) Scholarship.

All programs for this course are conducted in English.

We would appreciate if you could let the eligible applicants know the details of this program. And it is highly appreciated if you kindly put the enclosed poster on the notice board in your department. Please note that the application deadline is on **October 4, 2019**.
